C                          F     C                     D7
How'd ya like to spend Christmas on Christmas Island?
            G7                                          C     - G7
How'd ya like to spend the holiday away across the sea?
C                          F     C                     D7
How'd ya like to spend Christmas on Christmas Island?
                   G7                                        C     - C7
How'd ya like to hang a stocking on a great big coconut tree?
                         F                         C
How'd ya like to stay up late, like the islanders do?
                    D7                              G7
Wait for Santa to sail in with your presents in a canoe.
                      F    C                  D7
If you ever spend Christmas on Christmas Island
          G7
You will never stray for everyday
                                C
Your Christmas dreams come true.
