

# Blowing in the wind

Bob Dylan

## Verse 1

C            F            C  
How many roads must a man walk  
down  
                         F            C  
Before you can call him a man?  
C            F            C  
How many seas must a white dove sail  
                         F            G7  
Before she sleeps in the sand?  
C                    F  
And how many times must the  
C  
cannonballs fly  
                         F    G7  
Before they've forever banned?

## Chorus

F                    G7        C  
The answer my friend is blowing in the  
F  
wind  
                         G7                    C  
The answer is blowing in the wind.

## Verse 2

How many times must a man look up  
Before he can see the sky?  
How many ears must one man have  
Before he can hear people cry?  
How many deaths will it take till he  
knows  
that too many people have died.

(Repeat Chorus)

## Verse 3

How many years can a mountain exist  
Before it is washed to the sea?  
How many years must some people exist  
Before they're allowed to be free?  
And how many times can a man turn his  
head  
Pretending he just doesn't see?

(Repeat Chorus)
