

Dream on Texas Ladies

Written by: Steve Dan Mills

C Am
Way down in Texas,
F G
Those cowgirls get restless
C Am
As they wait for that cowboy who'll
F G
love them for life
C Am
And though they are certain they'll
F G
meet him tomorrow
F G
They're alone with their dreams for
C
tonight

(CHORUS)

C Am
So dream on Texas ladies about
F G
cowboys and babies
C Am
Hold out for that Lone Star,
F G
Who'll love you for life
C Am F
Dream on Texas ladies about sunshine
G
and daisies
F Am F G
Follow your heart, Where it leads you
C
tonight.

(VERSE 2)

From Houston to Dallas
Those cowgirls sing ballads
About how love everlasting
Is love at its best
And they dream of that day
When they both ride away
As the sun slowly sets in the west

(CHORUS)

C Am
So dream on Texas ladies about
F G
cowboys and babies
C Am
Hold out for that Lone Star,
F G
Who'll love you for life
C Am F
Dream on Texas ladies about sunshine
G
and daisies
F Am F G
Follow your heart, Where it leads you
C
tonight.
