Gonna find me a bluebird let him sing me a song
                        G7      F    G7   C
Cause my heart's been broken  much  too  long
C7                    F                          C
Gonna chase me a rainbow through a heaven of blue
                      G7      F  G7   C
Cause I'm all through crying  o-ver  you

        C7      F                 C
There was a time my love was needed

My life completed my dreams came true
        C7         F              C
