

# Heartland

Written by: Steve Dorff and John Bettis

F  
When you hear twin fiddles and a steel guitar,  
Bb C  
You're listening to the sound of the American heart.  
Bb F Bb  
And Opry music on a Saturday night  
F Bb C  
Brings a smile to your face and a tear to your eye.

## [CHORUS]

F Bb  
Sing a song about the heartland,  
F  
The only place I feel at home.  
F Bb  
Sing about the way a good man  
C  
Works until the daylight's gone.  
Dm Bb  
Sing the rain on the roof on a summer night  
F Bb  
Where they still know wrong from right.  
Dm C Bb -  
Sing a song about the heartland.  
C F  
Sing a song about my life.

F  
There's a place where mornings are an endless blue  
Bb C  
And you feel mother nature walk along with you,  
Bb F Bb  
Where simple people living side by side  
F Bb C  
Still wave to their neighbor when they're drivin' by.

[REPEAT CHORUS]
