# Honolulu Lulu

[A] Queen, [F] of the surfer [Bb] girls

[Bb] She's got [A] stars in her eyes and knots on her knees now  
Her [D] crazy grass shift really sways in the breeze now

[A] Ridin' down a heavy or lyin' in the sand  
She's the [D] hippest surfer girl in the land

And she's my, [G] Honolulu Lulu  
she's my, [D] Honolulu Lulu  
[A] Queen, [F] of the surfer [Bb] girls

[Bb] Well she [A] handles all the big ones every year in Makaha  
And [D] all the surfers know her from Rincon to Baja

[A] When the beach is quiet and you know we're out of luck  
We pray for [D] surf while making out in our truck

Just me and, [G] Honolulu Lulu  
me and, [D] Honolulu Lulu  
[A] Queen, [F] of the surfer [Bb] girls

Instrumental [A] [D], [A] [D]

[D] Yeah she's my [G] Honolulu Lulu yeah my [D] Honolulu Lulu  
[A] Queen [F] of the surfer [Bb] girls

[Bb] I tell you [A] once upon a time  
you know she got a little bold when  
she [D] tried to hook a spinner but her wax wouldn't hold Whoops!,  
[A] Over the falls 'stead of hangin' ten  
But then she'd [D] paddle out to try it again

Cause she's my, [G] Honolulu Lulu  
She's my, [D] Honolulu Lulu  
[A] Queen, [F] of the surfer [Bb] girls
