

I'm Gonna Lasso Santa Claus

Written by Frankie Adams and Wilbur Jones

C Am
I'm gonna Lasso Santa Claus
C G7
And I know just why because

I'm going to pull, pull, pull on his beard
C

Pull pull to see if it's real

I'm going to tic tic tickle him on the tummy
C7 F

Because he laughs so funny
C

He's so jolly and so fine
G7 C

When he comes around Christmas time

Am
I'm gonna lasso Santa Claus
C Am

And the reason is because
G7

I know a boy and girl he never goes to see
D7 G7

He never brings them toys like he does to me
C

I'm gonna pop pop Santa Claus
C7 F

With the water pistol gun bang bang
C

And then I'll take his bag of toys and run
D7 G7 C

And bring to all the kids who don't have none
