

# Man Smart, Woman Smarter

Songwriters: Harry Belafonte, Jack Segal, Norman Span  
(Grateful Dead Version)

## [VERSE 1]

G D  
Let us put men and woman together, see which one is smarter  
D G  
Some say men, but I say no, woman got the men like a puppet show.

## [CHORUS]

G D  
It ain't me it's the people who say, men are leading the women astray,  
D G  
But I say, it's the women today, smarter than a man in every way,  
G D  
That's right the women are smarter, that's right, the women are smarter,  
D G  
That's right the women are smarter, smarter than a man in every way.

## [VERSE 2]

G D  
Little boy sat down and cried, old man stopped to ask him why,  
D  
He said "I can't do what the big boys do," old man sat down and he cried  
G  
too.

## [REPEAT CHORUS]

## [VERSE 3]

G D  
Ever since the world began women been mending the ways of men,  
D G  
But listen boys 'cause I've got a plan, give it up just don't try to understand.

## [REPEAT CHORUS]
