

Moloka`i Sweet Home

Composed By: Malani Bilyeu

C
I feel your evening breeze tonight,
G7
Moloka`i I'm longing for your laughter
C
I gaze upon your silent shores

Reminisce that sweet embrace of ginger
C C7 F
As New York City walls closed in
C G7
I longed for the touch of an island, Moloka`i
F C G7
Moloka`i sweet home

C
So tutu rest your weary eyes
G7
I've missed your smiles and lullabies in the evening time

It's been so long since I've been home

I've missed the morning sunrise of the countryside
C C7 F
I've gone so far to find my way

This time I think I'll stay with an island, Moloka`i

Moloka`i sweet home
