

Perfidia

Written by Alberto Dominguez
English lyrics by Milton Leeds

[G7] To [C] you, [Am] [Dm7]
My [G7] heart cries out Perfidia [C - Am - Dm7]
For I [G7] found you, the love my [C] life [Am]
In [Dm7] somebody [G7] else's arms [E7]

[G7] Your [C] eyes, [Am] [Dm7]
Are [G7] echoing Per [C] fidia [Am] [Dm7]
For [G7] getful of the [C] promise of love [Am]
You're shar [Dm7] ing ano [G7] ther's charms [E7]

[BRIDGE]

[Dm] With a sad lament my [Dm7] dreams
Have [F] faded like a broken [Dm7] melody [E7]
While the Gods [Dm] of love look down and [F] laugh
At [D] what romantic fools, we [Dm7] mortals be [E7]

[G7] And [C] now, [Am] [Dm7]
I [G7] know my love [C] was not for [Am] you [Dm7]
And so [G7] I'll take it back [C] with a sigh [Am]
Per [Dm7] fidia's [G7] one goodbye [C]
